I actually noticed it right when I started my first playthrough of ME3. Also noticed it in ME1 and ME2. I can understand it not loading for people who are playing on consoles or are having issues with a game loading on their computer, but it's really not that big of a deal. Just keep playing on hard mode and everything will eventually load, the characters will start up, etc. First playthrough ME3, every time I load it's either because I'm low on MP or have just started a mission. Then I played Super Mario 3D Land on the Wii, it took like 3 hours to play all the levels because I just kept pressing "A" to keep running. Every time. It was pretty fun though Well the second one was kind of small town/mission driven - the first game was a classic flight combat one. So we'll see. It
