Anatomy of an infection: a review of infection management at the University of Washington Hospital. To describe a general approach to the diagnosis and treatment of infections. Review of the current literature. In the practice of emergency medicine, the diagnosis of infection is important, but the treatment is even more important. At the University of Washington Hospital, the emergency department sees patients with a wide variety of illnesses. Those of most concern to the emergency physician are those that are infectious. A general approach to the diagnosis and treatment of infection is outlined in this paper. Specific information is given on the following infections: conjunctivitis, influenza, pharyngitis, wound infection, meningitis, pneumonia, tuberculosis, sepsis, osteomyelitis, myocardial infarction, brain abscess, peritonitis, and endocarditis.

Q: "Il est..." ne se prononcera-t-il pas et a-t-il besoin d'une marque comme "l'est" et "le est"? Si je dis, par exemple: J'ai donné des réflexions sur l'organisation d'un certain jeu. Je fais référence à l'un de ses aspects. La phrase serait corrigée ainsi: J'ai donné des réflexions sur l'organisation de l'un de ses aspects. Il faut par ailleurs que je le mets sous le signe

du pluriel. Dans ce cas, « l'organisation » est à mon sens une thèse collective. Cette dernière se définit donc bien par l'union d'une thèse et d'une idée. Le l'in parenthesis de « l'un de » ne me semble pas approprié
